

Around 150,000 bicycles are stolen across Britain every year.

- Do not leave cycles in isolated places.
- Park cycles safely where they will not cause an obstruction.
- Always lock your cycle, even for just a few moments.
- Lock your cycle to something immovable and secure the wheel.
- Thieves hate marked items.
- Ask your cycle store about Datatag.

Know your bike?

Do you know your bicycle?

- Frame no, colour, make, model, no?
- Record the details on this form and help us recover your cycle.
- If your cycle is lost or stolen take this form to your local police station.

*Take a photo of your bike
and stick it here*
